Re: MS Republican Party
C00084368

Dear Quy:

Please be advised that we filed our amended report FEC-4182985 that superseded FEC-399425 for the Year End Report 11/25/08-12/31/08.

The Calendar Year to Date totals have been corrected with this filing for Lines 21 (a)(i), 21 (a)(ii) and 32.

The transfers from the Mississippi Majority Committee will be reported as memos in another amended filing. We are going to have to amend our April monthly in order for those memos to flow through our software correctly. Please look for this amended report shortly. The MS Republican Party received these transfers in 2008 from the MS Majority Committee however the MS Majority Committee had originally received the funds in December, 2007. On 5/21/2009 the MS Republican Party refunded \$120.00 to Michael Retzer for exceeding 2007 contribution limits. The MS Republican Party will disclose \$12,000 in two memo entries when the funds transferred actually totaled \$11,983.44 due to a disbursement fee withheld by the MS Majority Committee.

Please note that per our conversation, the MS Republican Party is not affiliated with the Senate Victory Fund.

The difference in the \$50,000 Wicker MS Victory Committee memo entries was due to a refund reported on 11/24/2008 on Line 28 C of our Post-General Report.

Please see that we have changed our H1 percentage back to the original 36% election cycle for this report.

We are aware that we have a \$200 discrepancy in our receipts that is caused from a previously modified transaction. We have worked with our technical support but were not able to locate this discrepancy. We had no choice but to file with the error and ask for you to overlook the discrepancy in advance.

Please note however that we did not make any nonfederal/state allocation transfers against the federal/nonfederal activity of this report. Therefore, we do not have any money to refund or transfer back.

Thanks,
Tom Butchart, Treasurer
